Dear Mrs Davies,

I am currently writing up your application BN/53/18/HH at Hill Lane, Barnham.

I note the consultation from Drainage requests that two conditions are applied which provides details on surface water and discharge rates.

As it is a pre commencement condition, the authority has to have written agreement from yourself before adding the condition. I attach a letter which states the condition to be included and legislation which applies.

Please let me know if you agree to this condition.

Thank you
Amber Willard
