Dear Miss Wiltshire,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under ref BN/50/20/PL relating to Condition Nos 5 - mitigation method statement, 6 - archaeology, 7 - piling risk assessment & method statement, 8 - Construction & Environmental Management Plan, 9 - foul drainage, 10 - surface water drainage, 11 - maintenance & management of surface water drainage, 13 - pre-commencement site meeting, 15 - odour assessment or evidence that livery has ceased, 16 - soil resource plan, 17 - landscaping, 18 - screen walls & fences, 19 - elevation details of 2 proposed communal bin stores and 20 - colour schedule of materials & finishes.

Land Rear Of 1 Northfields Cottages Fontwell Avenue Eastergate PO20 3RX

Notification regarding the above application:

Condition Number 17

No development above damp proof course (DPC) level shall take place until there has been submitted to, and approved by, the Local Planning Authority, a landscaping scheme including details of hard and soft landscaping and details of existing trees and hedgerows to be retained, together with measures for their protection during the course of the development. The landscaping scheme should include at least 26 new native trees to include specimens that will potentially grow to 10-15m high. The approved details of the landscaping shall be carried out in the first planting and seeding season, following the occupation of the buildings or the completion of the development, whichever is the sooner, and any trees or plants which, within a period of five years from the completion of development, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: In the interests of amenity and of the environment of the development in accordance with policy D DM1 of the Arun Local Plan.

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**

The Council's Landscape Officer has agreed the proposed landscaping scheme but comments that the drawings should be amended to show the previously agreed play provision of timber fitness items into the POS areas to the n/west area of the site.

It is also noted that the landscaping condition requires that at least 26 new native trees are provided to include specimens that will potentially grow to 10-15m high. Large trees are indicated but it is unclear what the height of these will be or how many of the tree species are native. The Landscaping drawing refers the reader to DD504L09 for the planting schedule/matrix and general specification but this does not appear to have been provided.

As such, it is not possible to discharge the condition at the current time and we would invite you to make a resubmission which (a) includes the timber fitness items on the drawings and (b) clearly demonstrates compliance with the specific requirements of the condition.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely

A handwritten signature in black ink, appearing to read 'NC', followed by a small dot.
