Land Rear Of 1 Northfields Cottages Fontwell Avenue Eastergate PO20 3RX

Notification regarding the above application:

Condition Number 20

No development above damp proof course (DPC) level shall take place unless and until a colour schedule of materials and finishes to be used for external walls and roofs of the proposed buildings have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the buildings.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and local character in accordance with policy D DM1 of the Arun Local Plan.

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**

The condition requires a colour schedule of all materials and finishes to be used for external walls and roofs. You have provided a plan which provides a material reference for each different plot. However, these references (B1, B2, B3, W1, RT1, RT2) do not identify the type/appearance of the actual materials and there is no separate schedule identifying these. As such, it is not possible to discharge the condition at the current time.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
