CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Good morning,

In response to your attachment above please see comments below and attached documentation.

amended description - Agreed

block plan - this is a scale drawing so all dimensions can be measured from the plan, but see attached for dimensions to all boundaries

inconsistent plans/elevs - see attached, the front elevation does not form part of the application but has been amended nonetheless

Foul water - as application form already states - to connect to existing public mains.

Kind Regards

Barney
