Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/56/20/PL
Site Address: 33 Hill Lane Barnham PO22 0BL
Description of works: Demolition of existing shed/garage & erection of 1 No detached dwelling. This application affects a Right of Way.

Thank you for your internet representation made on 16th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27801

This comment is not objecting to the building of a new house per se but its encroachment onto the canal. Currently proposals are being tabled to re-purpose the old canal into a Greenway. Protecting the canal is a requirement of Arun District Councils local plan. The Greenway would support existing plans for an off road NMU route from Barnham to Yapton as described in current local planning applications eg SD7, would meet the requirements of the Yapton Neighbourhood plan V2 and would be commensurate with the governments post covid plans to see the continuing growth in sustainable transport and a healthier nation. It would therefore be welcomed to see this development support this initiative whilst working with Arun District Council in ensuring that the canal is protected
