Subject: Confirmation of Extension

Dear Amy

Thank you very much for the update on our planning application.

I can confirm we agree to an extension to the 10th August to carry out the Biodiversity Enhancement Plan and to fulfil Ecology requirements. The habitat report was conducted yesterday and they are sending their report to you as soon as possible. Please let me know when you have received it.

I have also asked our Architects to confirm the drawings query with you as soon as possible and we will submit the Biodiversity Enhancement Plan in advance of the 10th August.

I would be very grateful if you could acknowledge receipt of our confirmation of the extension to the 10th so that I know you have received this email.

Kind regards

Sara
