Dear Mrs Plumb

Thank you for the update.

You may wish to check with my colleagues in the technical team to confirm that all of the submissions you have made now form part of a Discharge of Condition application (DOC).

I have copied this email to the planning@arun.co.uk address for ease.

Dear Louise,

I have spoken to the Drainage Engineer this morning and he is sending the final report to me as soon as it is complete. I will then forward it to you. In actual fact you have everything in the report that I have already sent to you, but apparently he has to send these last details.

I would be grateful if you would confirm that the other conditions have now been satisfied and that you do not need further information to complete.

Thank you for your help.

Kind regards,

Sherryl Plumb
