Dear Daun,

In section 4.4.4 of the Construction Management Plan the wording states "Specify any activities to be undertaken at night and why. Concrete Treatment". No further details are given. Please could you the applicant expand on this, specifically what works will be undertaken at night, the likely timing and duration of these works, why they cannot be undertaken during the normal working hours, and what mitigation will be in place to ensure that local residents are not unreasonably disturbed.

Many thanks

Fiona
