Dear John

Thank you for your e-mail sent a week ago.

I'm pleased to confirm that the revised plans, drawings and documents have been successfully received and uploaded to the application folder. The application is now the subject of a further period of consultation and publicity that will end on 4 September 2020.

I fully understand the importance of your application and aim to prepare a report so that it can be considered at the first available Committee meeting following the consultation period. This meeting will be held on 30 September 2020. With this in mind, please could you confirm your agreement to a further extension of the time period in which to determine the application until 7 October 2020?

Many thanks
