Date: 3rd May 2022

Dear Mr Hillebrandt,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: T8 alder tree- heavily leaning over public footpath. Either dismantle and remove down to ground level or at the very least reduce the height to take some weight out. Over the past 18 months the tree has lowered closer to the footpath.

T4 poplar tree- poplar tree located in the woodland area roughly 50-100 meters from 26 songthrush lane. Reduce height in poplar tree by 2-3 meters to suitable growth points as these trees can be very brittle and in recent storms there has been damage to near by trees and this will help to prevent that in the future to maintain this tree.

T3 poplar tree- poplar tree overhanging the back garden of 26 song thrush lane. This tree has a heavy lean over the neighbouring garden, has been monitored over the past 18th months and stem has lowered closer to the ground in this time. Looks to have been reduce in the past however i do think the tree should be removed down to ground level and replant same species but further away from the boundary or at the least remove the 1 stem with the lean over the property.

Location: Land South East Halliford Drive Barnham PO22 0FB

Thank you for your application submitted via the internet on 1st May 2022. It has been downloaded and will be checked for validity by the Technical Support Unit. It has been allocated the reference number **BN/59/22/T**.

Once your application has been checked we will contact you again.

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Neil Crowther
Group Head of Planning
