Comment from Greenspace

This application is looking for the discharge of Condition 8 imposed under application BN/11/14

The information provided however details 'Native Hedge', but does not give this information in plan form detailing species choice, planting densities and size at time of planting which is information which would be required to be submitted and approved.

We would suggest that there is insufficient information submitted and therefore **would not recommend the discharge of Condition 8 on application BN/5/17/DOC.**
