Hi Simon

Having checked with those concerned we would have no objection to an Extension of Time until 26th May.

Dear Alison,

Thanks for your email. Unfortunately due to not currently being fully staffed, we are all experiencing higher numbers of applications and this has resulted in a hit on performance. Therefore, I am behind on all of my 80 applications. Having said that, we have two new external agency planners starting next week and Daniel Vick has identified your application as being one which can be transferred to one of these two people and then written up fairly promptly. Could you agree to an Extension of Time until Friday 26th May please.

Kind Regards

Please could someone tell me when the decision on the above application is going to be made as it has already passed the statutory deadline for decision.
