Comment from Greenspace

Further to submission of Combined Landscape Management Plan document ref 2600-04 Dec 2018, I can confirm that the information contained is site specific and is sufficiently detailed with responsibility and regime and does cover the requirements imposed under condition 6 of approval BN/49/18/PL.

I would therefore **recommend the discharge of Condition 6 Landscape Management Plan** imposed under application BN/49/18/PL on this application BN/5/19/DOC.
