Hi Michael,

I agree to the EoT. Please see attached layout which illustrates the connection points. The 7 dwellings connect to a private network (including highway drainage) which was designed with the additional capacity for these extra units.

Kind regards,
Pete

Hi Pete,

Please could I have an extension of time (EoT) to determine BN/5/19/DOC - Land at Former Pollards Nursery to **Friday 10th May, 2019?**

I am still waiting for all of the revised drainage plans so that the LPA can approve and discharge the drainage conditions.

When will you be submitting the drainage information to discharge the drainage conditions?

Kind regards,

Michael
