Details of the pre-application advice received

The application for the pre-application advice included reference to a possible caretaker's accommodation on the top floor of the east/west wing and an additional smaller north/south wing. Further discussions and a meeting, via tele-con, on 19-May 20 were held. To address the issues raised in the pre-application advice, removal of the accommodation element and reduction of the size of the development have been made. The full application includes keeping the roof line no taller than the neighbouring former barns at Barnham Court Farm and reducing the scale of the building. These changes to the design of the pre-planning advice application address the raised issues of (1) potential erosion of open spaces between heritage assets which are a feature of the Barnham, Church Lane Conservation Area and, (2) potential encroachment towards both Barnham Court and the Parish Church.
