Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/64/26/PL
Site Address: Hill View Eastergate Lane Eastergate PO20 3SJ
Description of works: Demolition of existing dilapidated commercial sheds and the erection of 9 No dwellings and associated car parking and landscaping (resubmission following BN/83/25/PL). This application is a Departure from the Development Plan and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 5th June 2026 which has been recorded as support with the comments as follows:

OWPC83903

Three requests of Planning Officers for conditions:

- 1) the existing buildings appear to have asbestos in walls and roof, it is critically important that professional contractors are used to carefully remove these building for the protection of the public.
- 2) There was a car repair business run out of one of these buildings so potentially there needs to be testing for pollution of the ground ahead of any works.
- 3) we are aware the developer has also purchased the land immediately East of this site, would it not be better to have this included in the application so we can understand the full ambition of the developer across both sites. e.g. further changes to the street scene, or the increase in traffic accessing/exiting the expanded site through potentially the one entrance to Eastergate Lane?

Your views as made above will be considered before the application is determined.
