To whom it may concern,

I am writing as a neighbour who is frankly tired of looking at the collapsing sheds currently on the site. In their present state, they are an eyesore and do nothing to enhance the local area.

The proposed development would be a clear improvement. It would replace the deteriorating structures with something far more attractive, better maintained, and more in keeping with the character of the neighbourhood. The plans make sensible use of the land and, from what I can see, comply with relevant planning policies.

Importantly, I cannot identify any negative impact on neighbouring properties or the wider environment. On the contrary, the development would significantly improve the visual appearance of the site for all of us who live nearby.

For these reasons, I fully support the application and respectfully request that planning permission be granted.

Yours faithfully,

Jo Smith
