Hi Amber

Yes that's fine Amber. I am happy to withdraw the drainage maintenance condition discharge asl long as the other conditions I submitted are still running. I presume the drainage maintenance is under a separate app.

I will hopefully be submitting the revised drainage and the maintenance stuff in the next day or so.

Regards

Philip Dudley

Dear Mr Dudley

I note BN/65/26/PL has been submitted which seeks approval of the maintenance and management plan for the drainage scheme.

As the drainage application was refused and it may be a few months until this has a decision, I would advise that BN/65/26/PL is withdrawn as it can't be determined until the drainage has been approved and we know what will be place. We wouldn't be able to hold the application for a long period of time whilst we wait for the other elements to be dealt with.

It can then be resubmitted at the same time as the drainage information.

Please let me know if you wish to withdraw.

Thanks
