**Subject:** Planning application BN/66/19/PL Canal Mews

Dear Ms Tomalova

Further to the e-mail below from Mr Wallace, on behalf of the applicant could you please amend the postcode address for the above detailed planning application to PO22 0DP in order to avoid any confusion.

Kind regards  
Nicholas Lack (Planning Agent)  
Studio Lack Ltd

**Subject:** Planning application BN/66/19/PL Canal Mews

Dear Mr Lack

I understand from Maria Tomalova at Arun District Council Planning that I need to refer to you re a specific issue relating to the planning application for 3 bungalows at Canal Mews Barnham. The planning application BN/66/19/PL relates to land off Canal Mews Barnham, PO22 0AB. However this post code relates to Halliford Drive and Barn Rise Barnham, not Canal Mews for which the correct post code is PO22 0DP.

The residents of Halliford Drive continue to be "plagued" by delivery vans etc driving up Halliford Drive, expecting access to Canal Mews because of this post code issue. There is no access to Canal Mews - or that estate in general from Halliford Drive, which is a private road, maintained by the owners and/or residents and can not handle this level of traffic.

Please could you ensure that this current planning application is amended to show the correct post code.

Thank you

Yours faithfully

Richard Wallace

Halliford Drive Residents Association
