Engineers Comments Regarding Surface Water Drainage

It appears that the documents submitted in support of a discharge of conditions application (reference BN/25/14/DOC) for the wider site indicate that a foul water treatment plant is located in the area of the proposed development. Please can the applicant confirm if this is the case or not. Until such time as this confirmation is provided we object to the application.

Once this is confirmed, please re-consult me.

Regards,

Laura Gibbons, MEng, GMICE
Engineer (Drainage & Coastal)
