11th December 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 3 No dwellings.
Land off Canal Mews Barnham

Thank you for your internet representation made on 10th December 2019 which has been recorded as '**an objection**' with the comments as follows:

In line with other comments I do not think aspects of the site are suitable for the build. The site is fully occupied and has significant foot traffic through it day and night. The road is narrow, and often people walk on the road. This is already a risk to people. There is no suitable parking for workers, machinery or supplies. The road is fragile and already subject to repair. As a private road we as residents are responsible for costs of repair. What steps are there to protect us as residents?

The road leading into Nightingale Lane is also narrow and often very congested with parking on both sides. Often it is hard enough to drive a car up, let alone HGV or diggers, cranes, etc.

The open space is nice, and makes the development much more attractive. Losing this to houses would be a shame.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
