Drawing amended Maria, well spotted!  
Kind regards

Dear Paul,

Thank you for amended drawings and for your cooperation.

Now is my turn.

Kind regards

Maria

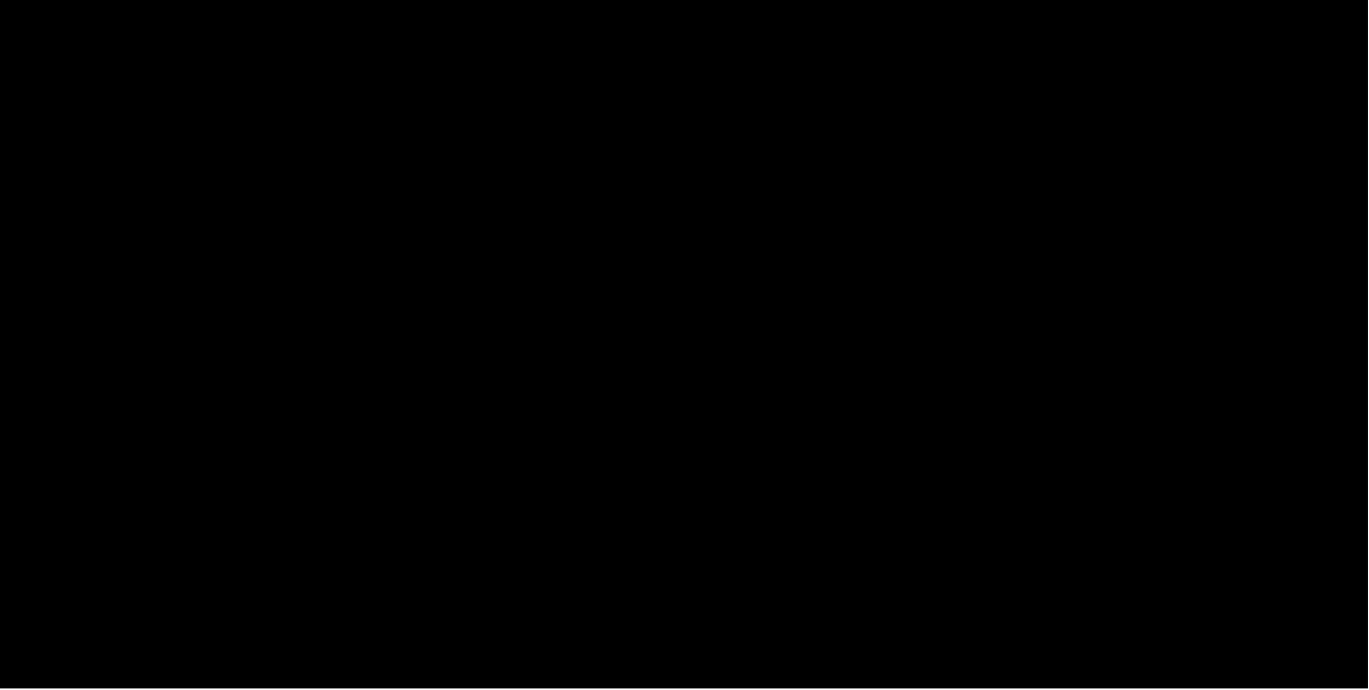

Dear Maria,

Further to our telephone conversation yesterday and your request to move plot 1 even further from the RPZ we attach plans showing exactly what you want, i.e. a separation distance of 5.75m. Although we had written confirmation from Mr Vick that our last scheme was acceptable to him and Mr Warwick, we have made these further changes in good faith as you had been away when the previous plans had been agreed and they will at least allow a prompt decision to be made with no further delay.

Please confirm you are all happy with these revised plans at which time you have my agreement for them to be substituted for the submitted originals and the last revised plans for plot 1 I sent Mr Vick on 7 February can be ignored.

Kind regards

Hi Paul  
(4 attachments)

Further to our conversation this morning Plot 1 has been reduced in width and some slight amendments made to the internal layout. (New floor area is 82.3 sqm)

This has allowed us to move further away from the RPA which now measures 5.75m as the Planning Officer requested.

I await any comments or revisions you may request, then these can be submitted under the current Planing Application.

Kind regards
