Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 2 No dwellings.
Land off Canal Mews Barnham

Thank you for your internet representation made on 17th March 2020 which has been recorded as '**an objection**' with the comments as follows:

Dear Sir/Madam,
Please consider this an objection to planning application reference BN/66/19/PL for the following reasons:
1) Existing residents of Nightingale Lane have previously experienced issues with the sewerage/foul water drainage system and I believe that adding two additional properties into that system as well as diverting the system will only increase the likelihood of issues re-occurring and potentially taking the system over capacity.
2) The ownership of the land is also a subject of confusion due to differences on various plans which have been made available to existing residents.
3) There is also a question about how the new properties will contribute to the Management funds which the current residents already contribute to. Information provided to date suggests that the two new properties will contribute to a separate fund - this seems strange when the new residents will use many of the same access roads etc as existing residents.

I would be grateful if you can please take the above into consideration when making a decision.
Many thanks

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
