Dear Sirs/Madam

**RE: Barnham Court | Application for Discharge of Condition 3 - BN/62/20/HH
Surface Water Drainage**

We have today made another application via the planning portal for the discharge of Condition 3 of Consent BN/62/20/HH. The previous application – BN/17/22/DOC should be referenced.

Application BN/17/22/DOC was withdrawn as there were 2 outstanding actions which are now complete, as per Paul Cann's email of 11th April 2022

1. Physical inspection by engineers, Archibald Shaw, which took place on 17th May 2022 and their email report is included
2. Removal of loose gravel on headwall with photo verification included.

As per Paul Cann's email of 11th April 2022 the agreed modification to the headwall will be dealt with outside this DOC application. For completeness the agreed modification plan is included in this application.

Thank you and regards,

William Bolland
