Dear Sue,

I am sorry to report that I am recommending that this application be refused on grounds of countryside development, harm to character, loss of high grade agricultural land, harm to trees (note attached comments rec'd today) and insufficient biodiversity net gain.

Dan will review the report on Monday so if you wish to withdraw, then can you let me know by 12 midday, otherwise I will ask him to sign the decision off.

Kind Regards

Simon J Davis MRTPI
