Further to my email below, sent earlier this morning, I now attach up updated plan (Rev2) with the scale of the Refugia Plan amended, I believe I had accidentally omitted this from an earlier email, so apologies for any inconvenience.

The client is chasing his solicitor for a response regarding the red line.

Thank you for this reminder letter.

I am still pursuing enquiries with regard to land ownership and hope to resolve this this week. I will double check with the ecologists re the matter of scale on their plan. Meanwhile I attach a package of updated tree information and highway drawings as further work has been ongoing and these should replace those already submitted. I would be grateful if you would acknowledge receipt of these.

I will be in touch as soon as possible.

Regards

Celia
