Hi Amber,

Paul is currently working on the land drainage consent for this. So we have an application in and dialogue is open, therefore, I am happy that condition 4 can be discharged.

Thanks,

Hi Amber,

Good question. I am happy for condition 3 to be discharged. Regarding condition 4- Paul deals with the land drainage consent applications and I would like to check in with him if possible before discharging this one. He is on leave this week. Would next week be okay for a final consultation response?

Thanks,

Hi

I received another document for BN/69/19/DOC at Hill Lane following your comments that it may not have been the most recent information.

Thanks
