Michael,
I have had a look at the new layout sketch. My previous comments still apply.
It is unclear from the new layout if the pond is now providing online or offline storage.
Thanks,

Hi Michael

Our design team has revisited the layout and re-worked the plan so that the central area of POS is free of any other features.

The central space on its own measures 1114m² which we believe would be more than sufficient as the allocation for a site of this size.

We hope this now goes a long way to addressing Arun's concerns and look forward to hearing from you shortly.

Kind regards
Matthew
