Simon

Apologies - that was an oversight.

Please find attached a revised copy of the proposed site plan with finished ground levels indicated.

For information, Ground Floor Level is +7.250 AOD; First Floor Level is +10.000 AOD; Ridge is +17.420 AOD.

Please let me know if you have any further queries.

Kind regards

Angus

Dear Angus,

I have been looking over the documents submitted with the DOC application. Condition 11 requires a detailed level survey of the site including existing and resulting ground levels and the slab levels of the building. However, all I can see that has been submitted is an existing levels survey so no detail on proposed levels and slab levels.

Kind Regards
