Further to my email below may I add one further comment that I missed and that is that the condition should also state that Site 3 due to it being in such open farmland should not be allowed bbqs.

At a meeting of the Planning & Environment Committee of the Barnham and Eastergate Parish Council the Committee resolved to raise no objection to this application provided a condition was imposed that restricted the number of huts placed on Site 3 to 1 hut at any time. Also there should be no outside lighting provided that would impact on the wildlife in the area.
