Hi Sian

Please find attached download of completed form on other application?

Although the watermark says Draft Application.

Is this acceptable? Or do I need to print, complete and scan back the C3810 attached?

Hi Rachel the fees have been transferred over to BN/74/20/PL I have checked and they are there, however If possible rather than 'pay and submit' do you want to send all the documents directly to me and I will add them manually and ask the payment team to contact you in order to pay the £256 as I think once you pay and submit it may create a duplicate

Kind regards

Sian

Thanks Sian

I have just checked and the Fees are still for £462. I've not gone quite as far as to complete the Pay & submit yet. Will that step show the lower payment balance due?

Dear Rachel

As a new planning application has been submitted it will ask for a £462 however I have requested that the fee from the previous be transferred over this will be complete in the next hour so it should leave you with just the £256.

Kind regards

Sian

Dear Sian

I now have a new Full Planning application pending payment on the Planning Portal

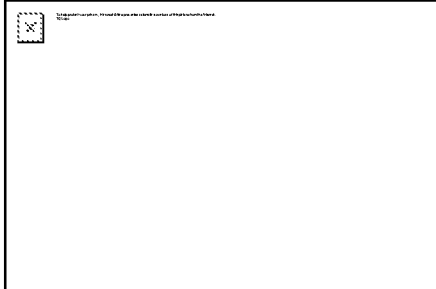

but it is asking for full payment of £462, not the extra £256 as per your email below.

How do I get the payment due reduced?

from Rachael

The planning officer Amber Willard has advised that as the application is for a change of use from public land to private garden this would fall under full planning permission and therefore a full planning form is required and an additional £256.00 is due. The application has now been placed back on hold until the additional information is received.

Kind regards
