Dear Sian (if I may),

Thank you for your letter of 5 September which we discussed over the telephone on the same day.

I confirm that you may amend the description of the application to "Installation of air source heat pump".

I attach copies of the site plan and location plan in pdf format as requested.

You confirmed when we spoke that I had already provided sufficient information to cover the points you raised on the elevations and floor plan.

Please confirm that you now have everything that you need to allow the application to proceed and, if not, please let me know what other information you require.

Yours sincerely,

Michael Camps
