Dear Maria,

I offer my sincere apologies for inexplicable delay in my consultation response, for reasons unknown the initial consultation request was never recorded at our end.

It is recommended that Condition 4 imposed under application reference BN/46/20/PL is discharged. Please ensure that all surface water drainage is constructed in accordance with the following plans (included within the Micro Drainage Soakaway Calculations document):

- Drainage Layout 59363/10
- Drainage Details 59363/11

Kind regards
