Dear Sir / Madam,

We wish to build a single storey rear extension, which falls within the now permanent legislation relating to Larger Extensions under Permitted development.

Please find attached documentation for consideration under the Neighbour Consultation Scheme. Please note that the house was previously extended upwards and to the front, but the proposed extension is built entirely off the original back wall of the house.

I understand that this process now requires a fee, please can you provide me with a reference number and the amount and I will instruct the client to pay the required fee.

If you require any further information, please do not hesitate to contact me.

Kind regards,

Nik Wood
