Address Land to the West of Swallowfield Nursery, Eastergate Lane, Eastergate

Soft and hard landscaping

In accordance with the drawings issued at planning stage the majority of the hedgerow to the East side and most of the tree line and shrubs to the front will be retained, in addition we will be adding flower beds to the front and rear to have a variety of low level shrubs (to be confirmed) and other areas laid to lawn. The attached drawing shows the hard and soft landscaping areas.
