Hi Rob,

Would you be satisfied with the following description of development:

“Application for variation of condition 2 (approved plans) imposed on planning permission BN/93/19/PL for the development of 95 dwellings; and consequential changes to other conditions following commencement of development”.

Regards,

Michael

Hi Michael – hope you are well.

Just received notification that the S73 application submitted at Angels Nursery last week has been validated.

However, the description of development is incorrect. Please can you amend it to the below (as stated on the App Form & Planning Statement):

"Continuance of development without compliance with condition 2 attached to planning permission BN/93/19/PL and consequential changes to the other conditions following commencement of development."

Regards,

Rob Riding
