Michael,

Please see my consultation response attached. I have incorporate the content of previous discussions and taken into account the existing S106 which is why I have agreed majority flats over houses and a 50/50 split. I have however advised that one or other of the 'blocks' be moved to negate clustering.

Please could you remove the existing response which has been posted on the planning portal with the attached.

Any questions let me know.

Thanks,

Arjan
