Dear Sir/Madam,

Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BN/84/20/PL
Site Address: Land at Angels Nursery Yapton Road Barnham PO22 0AY
Description of works: Application for variation of condition 2 (approved plans) imposed on planning permission BN/93/19/PL for the development of 95 dwellings; and consequential changes to other conditions following commencement of development.

Thank you for your internet representation made on 14th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30387

Nppf Sec 9

Difficult to understand how this site complies with its responsibility to encourage sustainable transport , contributies to nmu infrastructure both on site and links externally. Because of property Density on site it would be useful to understand how all vehicles can be accommodated - will they be using underground parking. Will there be charging points for electric bilkes / cars . Will the site encourage more communal refuse collection points. What incentives will be offered to encourage new house owners to use cycles. What support will they provide to the repurposing of the old canal into a Greenway thus make it simple to move around and into town safely. Climate change manisfested itself locally last year by the sea ingress at Climping and flooded fields behind Barnham. This needs to be taken more seriously otherwise new build shouldn't go ahead
