This Message originated outside your organization.

Good Morning Sian,

Further to your letter of 12th August (see reference above), please note the following:

Please find attached the completed CIL form.

We are happy for you to amend the description on our behalf.

Please find attached revised Block Plan showing dimensions to boundaries.

The foul drainage will be as existing - into main foul drain via existing man-hole on site.

It was noted recently that there was an error on Drawing 03, plans and elevations. Can you please replace the original drawing submitted with the attached 03 Rev A.

Many thanks for your assistance with this matter.

Kind regards

Alan Holloway
(on behalf of James Brigden)
