15th April 2013

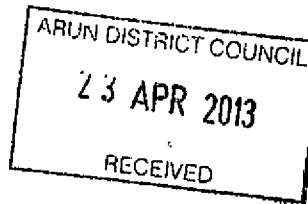

For the attention of Mrs D. Johnson ~ Planning Officer

Dear Sirs,

7, Halliford Drive, Barnham

Single Storey Extension

Application No. ^{BN}WA/8/13/

Further to your letter dated the 8th April 2013 I enclose the following amended drawings as requested

- 1) Two copies of the drawing No.98/13/02'A' showing the correct side elevation.
- 2) Having carried out a preliminary drain survey it has become apparent that it will not be possible to connect the new drains into the existing foul water drainage system in the normal way as the falls will not allow this, so it is our intention to install a 'saniflow' to serve the new ensuite facility & connect this into the existing foul water drainage system immediately outside the existing bathroom/WC,

Should you require any additional information please do not hesitate to contact me.

I remain

Yours Faithfully
