Dear Peter,

I am still awaiting the revised elevations. Can you confirm these are coming.

Kind Regards

Hi Simon,

The Ref BN/8/18/NMA is in relation to the Gable Brickwork. I will get the architect to re-draw the gable so that you can see what we are intending to do.

I hadn't appreciated that this would have been required for this subtle change.

I will get this over to you as soon as possible.

Best Wishes

Pete Davies

Hi Simon,

We are going to stick with the roof tiles as approved. They are a very good match for the CGI drawings that you have already seen.

Sorry for causing un-necessary work for you: I was just following orders!!

Thanks for getting back to me.

Best Wishes

Pete.

Dear Peter,

I was just about to determine your NMA application. However, I see that the submitted drawings are the same as those approved. We need amended drawings showing how the changes to the roof will appear otherwise we have no idea what we are approving. Can you provide revised elevation drawings that supersede 052-D-05-Rev1 & 052-D-06-REV2.

Kind Regards
