Thank you for your application which was received on 17th January 2023. I am writing to acknowledge that it was accepted as a valid application on 18th January 2023. On receipt of this letter, if you have any concerns about the way that the Council has described your application you should contact **Hannah Kersley**, the case officer who is dealing with your application.

You can follow how your application is progressing on the Council's website:
https://www.arun.gov.uk/planning-application-search

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 15th March 2023. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

If you have not received a decision by 15th March 2023 or agreed in writing to extend the time in which the Council make a decision, you may appeal to the Secretary of State. Your appeal (under Section 195 of the Town & Country Planning Act 1990) would be that the Council has failed to make a decision and

you would be asking a Government Planning Inspector to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or from the Planning Inspectorate: http://www.gov.uk/topic/planning-development/planning-permission-appeals/

If you allow the Council extra time to make a decision on your application, and you disagree with the decision, you will still be able to appeal the decision.

This acknowledgement only relates to this application and not to any other types of planning application or other kinds of applications you have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required visit the government's website https://www.planningportal.co.uk or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see: https://www.arun.gov.uk/buildingcontrol

Please do not hesitate to contact the case officer on the above details if you have any questions or queries.

Yours sincerely

Neil Crowther
Group Head of Planning
