Highways England Reference: 86267 #8909

Dear Mr Innes,

Thank you for consulting Highways England regarding the proposals at Land at Angels Nursery, Yapton Road, Barnham – BN/93/19/PL

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the SRN, in this case, particularly the A27.

Having examined this application, it appears that this is a variation of a condition included at the behest of the Local Highway Authority, West Sussex County Council. As such, Highways England, as the Strategic Highway Authority, has no comment to make, other than to ensure that the County are consulted on this application..

Should you wish to discuss further or require any further information please contact me.

Kind regards
