Michael

Thank you for the email. Redrow are happy with the principle of an extension of time, can I just check the outstanding issues? I think these all relate to conditions:

Condition 2. Query over drawings to be approved (Redrow would like to retain those approved under the original consent);

Condition 28. Issue in relation to requirements covered by other legislation.

Condition 10. Proposed to be pre commencement, but needs to be pre occupation.

If you could confirm these are the substantive issues outstanding, I would be grateful.

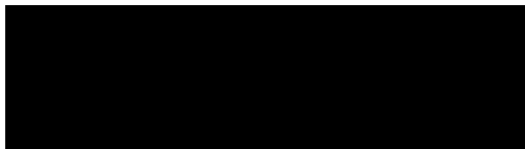

However, please accept this email as confirmation of Redrow's agreement of an extension of time to 28th February 2020.

Kind regards

Craige
