I think they want to add in the description to extend the current dropped kerb. You may want to speak to them to see if that is what they want to do

Hi. Sorry to trouble you as I know things are not normal. When we pull out of the Drive, we have to go on the other side of the road. Due to the Building works next to us, we feel that there is going to be a lot more local Traffic. We would like to extend the drop kerb, so when we pull out we can stay on the right side. Do we need to withdraw the existing application and re-apply, or could this be added to it. Attached is a Plan 1-500 showing the alteration. If you need more information please let me know. Thanks

Pete Robinson
