Mr Martin,

Thank you for your email with the attached plans.

I still require scalable plans for the partial west elevation showing more of the existing house (to include the orangery) and a full south elevation (to include the orangery). The photos are fine but they are not scalable and will be added to the file for reference.

A Block plan is also required for this application. The block plan needs to be at a scale of 1:500 or 1:200 with a north point and clearly showing the proposals.

If you have any questions please let me know.

Thank you,
Mrs Johnson
