

The application seeks retrospective planning approval to reinstate the entrance to the application site from the road from its previous condition.

Aerial photograph of the application site indicates a route from road to field.

Photograph 1 - Land boundary with Church Lane prior to the access being cleared, looking North East

Photograph 2 - Land boundary with Church Lane prior to the access being cleared, looking South West

Photograph 3 - Land boundary with Church Lane after the access has been reinstated, looking North East

Photograph 4 - Land boundary with Church Lane after the access has been reinstated, looking South West.

Photograph 5 - Front view of reinstated site access, cleared of scrub/ bushes with some pruning of trees. No trees have been removed.

Timber post and rail fencing/ timber gates mark the boundary of the application site.

Rev	Date	Description

Notes:

Print drawing at 100% when printing to A3 paper - do not print to fit.
Do not scale from this drawing.
All discrepancies must be reported to the Architect immediately.
All subcontractors must check dimensions on site before the production of shop drawings for the approval of the Architect.
All dimensions in millimetres.
