Please can you supersede the FRA on the file and substitute with the attached (label the new one as FRA dated 04/07/25)

Please then re-consult the EA for 14 days.

Thanks

Simon

Dear Cheryl,

I have checked and the FRA version that was submitted with this application was the old one dated 12/05/25. Therefore, yes, the EA did look at the old one. I will have the new one added and we will re-consult.

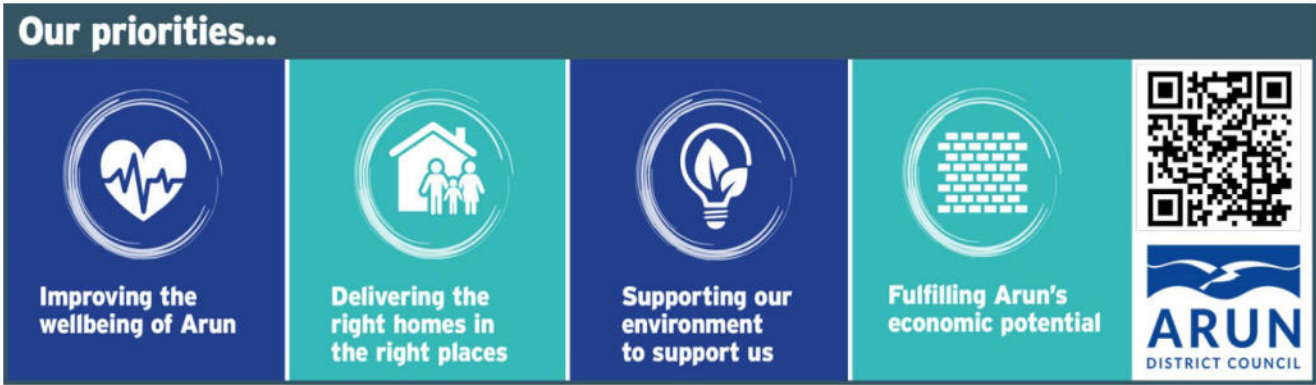

Kind Regards

Simon

Good morning Simon,

I have spoken to our drainage engineer regarding the EA's objections, he says these have already been addressed and thinks perhaps they are referring to the previous FRA, I have attached the latest information, please could you forward this to the EA.

Kind Regards

Cheryl
