Dear Grace,

We have just had comments back from Engineers which advise that more information is required and also recommend further consultation with Portsmouth Water. However, the app is due on the 22nd September so we don't have time to accept further amendments or carry out consultations before its expiry. As such, I will have to refuse the drainage conditions again.

Simon.

Good afternoon Simon, I hope you're well.

I contact you regarding our application for discharge of conditions. Following the re-submission of the information requested in relation to conditions 8, 10 and 11 I believe we are due a decision very soon?

Can you confirm if you require anything further in relation to these conditions as we are keen to get sign off on the prior to commencement conditions now?

I look forward to hearing back from you. [REDACTED]

Kind regards

Grace Palmer
