Dear Sirs/Madam

RE: Planning Application – Barnham Court – Trellis, Gates, Pergolas

As a support document to the planning application for the above submitted online could you please take note of below points:

- The existing vehicular gate fronting Church Lane replaced a field gate
- The proposed new gates on Church Lane at the two entrances to the property are planned to be attached to pre-existing Oak posts
- For a comprehensive Setting & Significance Statements please refer to the 29pp *Barnham Court Conservation & Pre Planning Application* document sent to ADC Conservation & Compliance Officers on 16-Sep 2019.

Please also note we refer to ADC letter dated 26th October 2017 (Your Ref: ENF/37/17) which advises that a retrospective application for the structures in this application are "*likely to be considered favourably*".

As detailed on Section 9 of the Application there has been extensive pre-planning application correspondence through emails and multiple site visits with council representatives and English Heritage.

Thank you and regards,

William Bolland
